Sheena

BORDER COLLIE CROSS
Gold Coast, QLD

Sheena is a very playful pup who is always super excited to see you. She has lots of energy and loves to run around and play. Sheena has a big tug of war rope she uses to show how tough she is and she also enjoys chasing balls and squeaky toys that are thrown for her.

Sheena is quickly learning to sit and stay, and what 'no' means. She loves every type of treat she has been presented with, and tries to get the cat food whenever she has a chance!

Sheena has interacted with children from ages 2-10 and has had lots of fun playing chase and fetch with them. Note that she still needs to be told not to jump up as she is often very excited to meet new people. Sheena has displayed no aggression towards the cats, but isn't terribly interested in them either...
