Topaz *adoption pending*

BULL ARAB CROSS
Worongary, QLD

Topaz is very bright and intelligent.

She loves playing tug of war and chasing balls. She has lots of energy and is looking for an active family who will include her in their weekend adventures and find time for a daily walk.

She will thrive with lots of enrichment and puppy classes to keep her brain stimulated.

She is untested with cats and kids but due to her young age, should be fine with slow introductions. She will be a medium-large dog so dog savvy kids over the age of 5 are recommended.

Topaz is located in Worongary (Gold Coast), QLD...
