Lil Girl

CROSS BREED
Bateau Bay, NSW

Meet our cutie pie who is looking for a name and a family. She is the runt of the litter but holds her own with her siblings. She loves to play and, of course, chew so anything to chew such as chew toys, sticks will save your ankles and help with her teething.

As a pup she will need training and socializing to grow into her full potential. She has been around a mixed pack of small and big dogs. She accepts cuddles from children (but be aware of her sharp Claws and playful bites). As a pup she is trainable with other pets.
