Introducing the gorgeous loveable and super sweet girl Aria

Aria is a Heeler x we are pretty confident Pointer.

With her extremely good looks and super smart brains this gorgeous girl will make a great family addition.

Aria love's her treat toys, tennis balls, cardboard rolls and anything that dangles! Se's very affectionate and loves snuggles and cuddles with all size hoomans,

Aria is very food motivated so training is going to be a breeze for this super clever girl.

Aria is dog social and would love a BFF in her new home if possible but not a deal breaker. She for obvious breed reasons is an active girl and loves a walk and play to burn some energy.
