Other animals	untested ?

Juno

GREYHOUND
Doveton, VIC

Hi, I'm Juno... a happy and gentle lady looking for my forever human. I have beautiful manners, am fully toilet-trained, and can use a dog door... or hold on if I have to!

I love my walks, although, being a "senior" girl, I prefer one or two short walks a day (about 15 minutes). I also like to sleep right through the night and get up when I'm called for breakfast.

When we go out in the car, I can jump in and out by myself. After I've checked that everything is okay, I just lie down, relax, and enjoy the ride.

Occasionally, I do zoomies, and I love chasing a ball around the yard. Sometimes, I (almost) even bring it back to you—we'll work on that!

I love all people, from little kids to grandparents, and they seem to love cuddling me. Apparently, it's because I'm really soft—well, I guess I can put up with that. (Okay... I actually love it, and I'm happy to lean on them and make them feel special.)

I do enjoy making new doggie friends, but preferably at my own pace. I've lived with other dogs...
