Gina

GREYHOUND
Melbourne, VIC

Gina is the sweetest little 2 year old girl who loves nothing more than cuddles. Be it human, a soft toy, or her foster sisters, you'll always find her snuggling something.

She has adapted very quickly to pet life and finds lounging around on the couch all day very appealing. She has had no toilet accidents in the house at all, and will walk to the door when she wants to go out.

Gina walks beautifully on lead, stopping occasionally for a sniff, and is not fussed by traffic or barking dogs behind fences. A 20 minute walk once a day is enough to keep her happy. She happily greets other dogs and people regardless of their size.

She is playful and full of cheeky personality and will 'borrow' your shoes and slippers placing them...
