Dice

BORDER COLLIE CROSS Greensborough, VIC

Dice is an absolutely adorable black and white Border Collie x pup who is eagerly waiting for his forever home. This sweet little guy has a big heart and a love for humans, and he's also shown a keen interest in socializing with other dogs. As a border collie x, Dice is naturally energetic and full of life, always ready for an adventure or a game.

He is a smart little fellow who is eager to learn and is already picking up some basic skills with enthusiasm.

Dice has a list of favorite activities that keep him entertained and happy. He loves to spend time in the backyard, where he can entertain himself with all sorts of playful antics.

Going for walks and exploring new scents is another favorite pastime. After a day of fun,

Dice appreciates a good nap and loves to snuggle up for some cozy cuddles. Of course, like any young pup, he has his moments of puppy zoomies, where he races around with boundless energy...
