Siren

GERMAN SHEPHERD
Sunshine North,

****Available for Adoption 30/11/2024****

Meet Siren, a sweet and gentle German Shepherd with a heart full of love waiting to find her special new family. Her name may suggest a loud presence, but this lovely lady is, in fact, quite the opposite. Siren is a little timid at first, but with a bit of patience, she opens up to reveal her loving nature.

Siren's gentle demeanour makes her the perfect companion for a home that appreciates a four-legged friend with a soft touch. Given her initial timidity, a calm environment that allows her to build confidence would be ideal. With gentle encouragement and nurturing care, Siren will truly shine. Her loyalty and devotion once she trusts you will warm your heart.

What Siren lacks in boldness, she more than makes up for with sweetness and gentle...
