Josie

TERRIER CROSS
Killarney Vale, NSW

Josie has the most beautiful soul....extremely affectionate to her humans. Loves to interact with kids of all ages. Loves to play with her fur friends. All around, just the perfect puppy looking for her perfect home!

Walks great on lead, loves a cuddles and pats.

Can sit already on command, is now learning to sit and stay to wait for the command to eat.

Loves to chase the ball but still needs to learn to pick it up and bring it back.

Loves her zoomies, like all puppies! First thing in morning and usually late afternoon.

Doesn't mind a shower or bath. Is still wary of the hose when watering.

She loves to play with anything so make sure you have lots of puppy things around and NOT your shoes....

She has learned to use the doggy door, and is only doing accidents inside sometimes now. Mostly when its dark outside and she has gotten up when no one else is up to make it safe...
