Roofus

ENGLISH STAFFY CROSS
Strathfield South, NSW

Roofus is a sweet and affectionate boy who just wants to be loved. He can be a little reserved when meeting new people, but it doesn't take him long to come out of his shell — especially with a few treats and some gentle encouragement. Once he's comfortable, his loving and playful personality quickly shines through.

While he doesn't mind the company of other dogs, Roofus really enjoys being the centre of attention. He thrives when he's around his people and isn't shy about asking for affection. He walks well on lead and enjoys getting out and about, especially when it means quality time with his favourite humans.

With his big heart and charming nature, Roofus is ready to be someone's loyal and loving...
