Lloyd

LABRADOR RETRIEVER
Coldstream, VIC

Lloyd may only be 12 weeks old, but he carries himself like he's seen a few lifetimes already. This Lab/Retriever cross isn't the wildest in the litter, but he's the one who watches, waits, and walks right beside you without being asked. He's got that cowboy calm - the kind of dog that'll sit quietly at your feet, but be the first to stand between you and trouble.
