## Kobe

MASTIFF CROSS  
Warwick, QLD

Please meet Kobe, a sweet-natured 3 year-old female Mastiff/Great Dane mix with a gentle manner and a joyful spirit that makes you feel good just being around her. She weighs 30 kgs.

Kobe's story begins in August 2022 when she and her three littermates came into our care. She was quickly adopted and has enjoyed almost three years as an integral member of a devoted family, who guided her through puppyhood and adolescence. Now, as a mature dog, she is a fine testament to their care and training.

Due to a change in her family's circumstances and through no fault of her own, Kobe has been very reluctantly returned to us for rehoming. Her surrendering family have kindly provided all the photos and videos that form part of this...
